

Header/Term used in Sheets	Definition
<b>QP Status</b>	Defines the QP's stage in the QP lifecycle
Proposed	QP features in the QP development plan
Draft	The preliminary version of QP document
Active	QP has QRC approval and is uploaded on NSDC and SSC websites
Borrowed	QP is borrowed from another SSC
Retired	QP has lapsed and not eligible for skill development
<b>Rationalization Status</b>	A recalibration exercise to expand the scope and usage of QP-NOS. All rationalized QP codes will be prefixed with "R/"
Multi Skilling	QPs designed to broaden the scope of existing QPs through merging relevant QP-NOS. All multiskilling QP codes will be prefixed with "R/M." Eg. R/M/SSC/QXXX
Elective	QPs designed to promote specialization within a job role. QP codes will be prefixed with "R/E." Eg. R/E/SSC/QXXXX
Options	QPs designed to to add skills to a job-role for wider applicability. QP codes will be prefixed with "R/O." Eg. R/O/SSC/QXXXX
QP Creation Date/Expected Date	QP draft date
Activation Date of Revised QP	Date when a new, revised version of a reviewed QP goes into effect
QP Cut-Off Date	Date when a reviewed and/or revised QP is removed from circulation and usage
