

Translation of Qualification Packs from English to Hindi and Key Vernacular versions

Skill Council for Mining Sector (SCMS) has developed 41 qualification packs (QPs) in English language aligned to National Skill Qualification Framework (NSQF) and approved by MSDE/NCVET.

We have urgent requirement to create **Hindi and key vernacular versions** of such QPs along with Model Curriculum (MC), Facilitator Guide and Participant Handbook in phased manner. We are exploring the right partner/ agencies/ individual experts who are well versed with this kind of assignment/ have executed similar assignment with domain expertise in **Mining Trades**.

Interested/ experienced persons/ agencies should email their credentials to scms@skillcms.in mentioning about following:

1. Profile with experience in translation with specific exposé in mining related assignments.
2. Brief of such jobs accomplished (and for whom with time frame) in last 2-3 years;
3. Languages in which the contents can be translated into,

Reach us with above information on or before **30rd September 2021 by 4 PM**. Commercials would be discussed later with shortlisted agencies/ persons. The QPs can be seen at our website through
